Re No. 1681-3 audit/35

*Station* Madras., *Dated the* 14th December 19 35

From (Name) Sir Charles B. Cunningham, Kt., C.S.I.
(Designation) Inspector-General of Police.

To The Chief Secretary to the Government of Madras,
Public (Police) Department.

Sir, through the Accountant-General, Madras.

I have the honour to request that Government will be pleased to sanction the grant of special disability leave on average pay for 2 months and 12 days from 11th August 1935 to 22nd October 1935 to Sub-Inspector A.S. Rajeeva of Vittal Station, South Kanara district, who was disabled by a severe injury intentionally inflicted on him during the course of his official duties.

2. On 11th August 1935, when arresting certain persons who

who had assembled to prevent the execution of a warrant, Sub-Inspector Rajeeva was attacked from behind and felled to the ground by a blow from a knife which caused a profusely bleeding wound on the back of his head. He was admitted to the Government Hospital at Puttur and later transferred to the Headquarters Hospital, Mangalore, where he was treated as an inpatient until 1st September 1935. After his discharge from the Headquarters Hospital he continued to require treatment and was on leave on Medical Certificate for a total period of 2 months and 12 days from 11th August 1935 to 22nd October 1935.

3. I enclose copies of the injury report on the Sub-Inspector by the Civil Assistant Surgeon, Government Hospital, Puttur, the history of the patient's treatment in the Government Wenlock Hospital, Mangalore, and the proceedings of the Civil Medical Board recommending the Sub-Inspector for the grant of special disability leave as required by Fundamental Rule 83 (3).

4. As the Sub-Inspector's absence from duty during those periods was due to injuries inflicted on him whilst in the lawful discharge of his official duties, courageously performed, I recommend under Fundamental Rule 85 the grant to the Sub-Inspector of special disability leave on average pay not debitable to his leave account for 2 months and 12 days from 11th August 1935 to 22nd October 1935.

I have the honour to be,

Sir,

Your most obedient servant,

for Inspr.-Genl. of Police.

Patients Name:- A. S. Rajeeva.

Case of Septic Wound of the Scalp.

---

Mr. Rajeeva, Sub Inspector of Police, was treated in the Headquarters Hospital, Mangalore from 12-8-1935 for a cut wound said to have been inflicted by a sharp weapon in the course of duty. It was infront of the left parietal eminence about 2"by 1" and was found sutured and in a highly inflamed condition.

Treatment:- Its sorroundings were cleaned up with spirit wound treated with $H_2O_2$ and boric fomentations applied. The wound began to discharge pus. So all the stitches were removed except the corner one, the probe touched the bare skull below, the interior of the wound was wiped with $H_2O_2$, drained and dry dressings applied. The wound continued to discharge profusely. The corner stitch holding down the flap came off too. The wound was dressed with Eusol dressings and patient put on Iodine. The suppuration kept on and resisted treatment. The wound in the end cleared up and the flap slowly united itself to the sides of the wound. The excess of the granulation tissue was touched with copper sulph. solution and dry dressing applied. The wound has been taking a long time to dry up.

Sd. G.T. Barnes,
9-10-35.
Sub Assistant Surgeon.
Govt. Wenlock Hospital.

Mangalore.

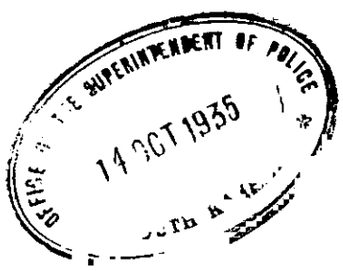
Injury report on A.S. Rajeeva, Sub Inspector of Police, Vittal called for by the District Medical Officer, Mangalore. in his R.C.No. 1317-D/35., dated 8-10-1935.

---

The Sub Inspector was admitted into the Hospital on 11-8-1935 at 2-15 P.M. with the following injuries on his person:-



1) Curved incised wound 2"x1½" on the upper part of the left side of head, over the left parietal bone, cutting a flap of scalp and exposing bone. (2) Small incised wound ½" long and skin deep on left side of back just below inferior angle of the left scapula. (3) Linear abrasion of skin ½" long at the nape of neck.

It was reported that the injuries were received at about 11 A.M. on 11-8-35 and the scalp wound was bleeding at the time of admission. The bleeding points were secured and the wounds stitched up and dressed up under chloroform.

The injuries on his person were simple injuries.

He was transferred to the Headquarters Hospital, Mangalore on 12-8-35 at 12 Noon at the request of the District Superintendent of Police, Mangalore for further treatment.
